A 41 51 EZ

The Series Code can be found on the printed sticker inside of box flap.

Tempered and ice-hardened to an optimal 61 on the Rockwell C hardness scale to ensure exceptional durability. Sharpened to 12.5 degrees per side using advanced laser technology for a razor-sharp cutting edge

Patent-pending blade shape is designed to improve comfort and reduce fatigue

Spine and bolster are rounded for the ultimate in comfort

Moisture-resistant pakkawood handle is triple-riveted and designed to fit securely and comfortably in the hand

Forged from a single piece of specialty high-carbon stainless steel with fine carbide distribution to reduce micro-chipping

Blade thickness reduces to a fine tip for precision cuts

LIFETIME LIMITED WARRANTY

Recessed bolster allows for easy honing and sharpening

Full tang for perfect balance and a lifetime of use
